CENTRIC EXPERIENCE

Centric Services MENU

Lager

Grade A-PEX (Process EXcellence)

Inspired by efficiency and excellence, tempered by process improvement and BPM.

Best paired with carriers seeking to get the most out of their people, processes and technology

Enabled Disruption (Digital)

Born from Centric's digital practice, a mix of strategy and implementation with portal, mobile and agile ingredients.

Best paired with carriers who want to gain data insights to support growth and profitability

(data)Base Jumper (BI)

One of our most popular offerings, this brew combines strong business intelligence and nimble execution. For data thrill seekers.

Best paired with carriers who want to gain data insights to support growth and profitability

Centric Consulting: A Local Market Craft Consultancy

We take pride in our local market consultant services. Much like a good craft brewery, we are dedicated to doing things the right way to provide unmatched client experiences in our own communities.

Ale

Centricetal Force (Core System Modernization)

Keep your business moving at high speeds while maintaining strong core systems that hold it all together.

Best paired with carriers looking to modernize their core systems

Perpetual Motion (Maintenance & Support)

This traditional offering combines quality local ingredients and best practices to give you the kick you need. The perfect choice for great adventures.

Best paired with insurers who are gearing up for their post-modernization maintenance journey

Batmanager (Leadership of Strategic Initiatives)

This bold and charismatic offering will guide your program with the right mix of hard and soft management skills.

Best paired with carriers looking for strong leaders to run complex projects and programs
